

Who is Anova Health?

Anova Health, Inc. is an Integrative Healthcare product distribution and learning center. Our clients include medical doctors, naturopathic physicians, chiropractic physicians, RNs, FNPs, PTs, licensed acupuncturists, registered pharmacists and physical therapists.

UNIQUE INTEGRATIVE HEALTH CAPABILITIES

Anova Health, Inc. is unique in its ability to help practitioners increase value and efficacy to their patients by providing:

1. High quality and effective core products including wholefood supplements, enzymes, homeopathic remedies and our cutting-edge proprietary products and technologies.
2. An integrative naturopathic approach in designing protocols based on specific cases.
3. Training and reference materials through the Anova University learning center.
4. Training and marketing materials for practice and patient.

MORE PRACTITIONERS ARE CHOOSING ANOVA HEALTH TO PROVIDE:

1. Centralized distribution and FAST drop ship delivery to your clinic or patient.
2. FREE e-Pharmacy services for hands-free, FAST patient product fulfillment.
3. Clinical case support and training to enhance successful practices.
4. Next-generation products for improved compliance and clinical outcomes.
5. EXCLUSIVE Anova Health products added to our valuable affiliate partner services.

Product diversity

Choose from our diverse range of technologies with over **4,500** products waiting to be integrated into your practice. Discover how to take it to the next level with successful winning outcomes and increased profitability.

Unique cutting-edge technologies

We are known for discovering and creating products that often provide a quick response factor because they work by expanding or targeting and enhancing already successful protocols. Many of our advanced pain, sleep management, and regenerative cell-and tissue-growth technologies won't be found anywhere else. Next generation energy therapies include the finest variable-intensity PEMF and programmable pulsed-light therapies for injuries, allergies, immune issues, smoking cessation, and more.

THE LEARNING CENTER at ANOVA UNIVERSITY

Anova University is a digital library for up-to-date information on our product lines, individual products, and practice implementation. After you log in to our Product Knowledge Base, you can access:

- Informative recorded webinars
- Brochures for education and increased patient compliance
- Protocols
- Research articles and white papers
