

Your Headaches:

- Ordering products you think you might sell, but generally do not sell enough to break even
- Managing product stock & inventory levels
- Products becoming expired or damaged before they can be sold
- Management and coordination of ordering from multiple product vendors

Your Solution: Virtual Dispensary

- Opportunity to learn about and promote products you normally wouldn't stock
- Better service for your patients by providing a more diverse range of products
- Diversification of revenue streams
- Less risk of cash flow bottlenecks
- Increased bottom line

Our Virtual Dispensary provides practitioners a turn-key revenue-generating solution for their practice. The Anova Health virtual dispensary gives practitioners with practices of all sizes access to a variety of product lines that help them establish and grow the nutritional supplement part of their business. Our Virtual Dispensary is perfect for practitioners who are just starting out and do not have the capital available to commit to nutrition, while still giving them and their patients access to world-class supplement technologies. A virtual dispensary is also great for larger practices who are looking to gain easy access to new product lines, including all of Anova Health's exclusive proprietary offerings--while increasing profits immediately.

Virtual Dispensary

Quick, Efficient, Profitable

How it Works:

Simply enroll in our Virtual Dispensary program by calling us at: **888-309-5222** and request access to the program. You will be given an access code that you can then give to your patients, allowing them to sign up for a patient account on **www.anovahealth.com**. As your patients purchase product from Anova Health (either at full retail price or a discounted level of your choosing) you will be written a monthly commission check of up to 25%! Detailed reporting and analytics of what your patients are ordering will be provided, as well as the ability to have input in the Anova Health product selection and screening process.

Give us a call at **888-309-5222** or email us at **support@anovahealth.com** to get started today.
