

Your Practitioner's Access Code: _____

With Anova Health's Virtual Dispensary, you are able to:

- Purchase high quality, physician-grade products
- Access detailed information about each product and manufacturer
- Set up your own account under your practitioner on **anovahealth.com** or place your order via phone
- Receive same day shipping on orders made on business days before 3:30p.m. EST
- Free shipping on all orders

Placing your Order Via Phone

Once you know which products you want to purchase, you may call us at **(888) 309-5222**.

Upon ordering, you will need to provide your practitioner's access code to complete your order.

Placing your Order Online

1. Go to **www.anovahealth.com**.
2. Click '**Log In**' at the top-right of the screen.
3. Click the '**Create new account**' tab.
4. You will be directed to enter your **Username** (whatever you desire), a valid **email address**, and your practitioner's **access code**. Enter the **security code** provided on the screen and hit '**Create new account**'.
5. Once you have entered this information, log into your email account to receive your **password**.
6. Once you know your password, you will be able to log in with only your **Username** and **password** for future orders. Now you are ready to shop!

My Username: _____ **Password:** _____
