

G.I. Detox™ With Pyrophyllite Clay

Removes Debris, Toxins and Accumulated Waste
Excellent Support when used with the Bioclear® Program*

Removal of debris and toxins from the intestinal tract is an important part of any comprehensive cleansing program. G.I. Detox™ contains both pyrophyllite healing clay and activated charcoal for a simple, well tolerated cleansing regime.

- » Removes debris, toxins and accumulated waste.
- » Excellent support when used with the Bioclear® Program.
- » Assists in “mop up” phase of biofilm treatment.

AVAILABLE IN 60 CAPSULE BOTTLES.

Suggested Usage: For “mop-up” of die off reactions take 1 - 2 capsules 1 hour apart from Biocidin®, Olivirex® or other medications. GI Detox™ may be used twice a month for a 3 day period as part of a cleansing regime.

Ingredients: 75% Pyrophyllite Clay, 25% Activated Charcoal

Biotonic™

Helps Restore Vitality and Energy
Targets Digestion and Aids Detoxification

AVAILABLE IN 60 ML BOTTLES FOR A ONE TO TWO MONTH SUPPLY.

Biotonic™ contains traditional Chinese tonic herbs which complement Biocidin® with support for the gastrointestinal tract and liver. These tonic botanicals help strengthen the body's defenses, and are indicated when detoxifying or cleansing herbs are used for extended periods.*

- » Adaptogenic digestive and immune support botanicals.
- » Includes Artemisia for support in cleaning programs.
- » Chinese tonic herbs provide additional support for the immune system, and restore and revitalize the vital energy or Qi.*

Suggested Usage: 10 drops, 2 times per day. Small children may use 5 drops in a small amount of water or other liquid. Biotonic™ may be taken at the same time as Biocidin®.

Ingredients: Radix Astragalus, Herba Artemisia Apiaceae, Eleutherococcus Senticosus, Radix Polygoni Multiflora, Radix Zingiberis Officinalis, Rhizoma Atractylodis Macrocephalae, Radix Dioscoria Oppositae, Sclerotium Poria Cocos, Radix Codonopsis Pilosulae, Radix Paeoniae Lactiflorae, Tuber Curcumae, Pericarpium Citri Reticulae, Glycyrrhizae Uralensis.

Water: 48%- 54%, Glycerin: 24%-26%, Alcohol:** 10% - 12% by volume

BIO-BOTANICAL RESEARCH INC.

Clinically Effective Professional Formulations

Bio-Botanical Research products are formulated to meet the highest professional standards. All products are manufactured to cGMP standards for quality assurance. Each ingredient used in our formulations is of professional grade, tested for purity, and comes with a certificate of analysis. There are no artificial ingredients, preservatives, colorings, additives or common allergens used.

"I've started giving Biocidin® to virtually all my patients, as so many have intestinal inflammation at the root of other issues. Compliance has been great, and I have found it very effective."
 –Dr. Frank Shallenberger, M.D.,
 President American Academy of Ozonotherapy

"I have been using Biocidin® for the past 20 years, and it is hands down the best product on the market for dysbiosis."
 –Dr. Thomas O'Bryan, Intestinal Health and Gluten Sensitivity Specialist

Biocidin®

Broad Spectrum for Tough Immune Challenges
 Targets Systemic and G.I. Conditions

Biocidin® is a potent broad-spectrum botanical compound designed to support the entire immune system. This carefully crafted formula targets the intestines and supports digestion, as well as systemic immune function. Independent laboratory testing has concluded that Biocidin® has broad reaching effects in various and challenging environments.*

- » **Laboratory and clinically tested for effectiveness for over 20 years.**
- » **Includes support for detoxification and immune function.**
- » **Liquid formulation is pleasant tasting, and may be taken on an empty stomach.**
- » **Well tolerated by children and used by leading practitioners treating Autistic Spectrum Disorders.**
- » **Often recommended as part of a program addressing Lyme disease in combination with Olivirex®.**
- » **Used as part of a program to address biofilms and resistant conditions.**

AVAILABLE IN 90 CAPSULE OR 1 OZ LIQUID.

Ingredients: Bilberry extract (25% anthocyanosides), Noni, Milk Thistle, Echinacea (purpurea & angustifolia), Goldenseal, Shiitake, White Willow (bark), Garlic, Grapeseed extract (min 90% polyphenols), Black Walnut (hull and leaf), Raspberry, Fumitory, Gentian, Tea Tree oil, Galbanum oil, Lavender oil (plant & flower), Oregano oil (plant & flower).

Other Ingredients: Vegetable Glycerin, Alcohol <5% (potato and or cane source) Product contains no allergens such as milk, eggs, yeast, corn, soy or wheat. Free of any synthetic ingredients, colors, additives or excipients. No animal testing. 100% vegetarian/vegan formula. Certified Organic or wild-crafted sources used wherever possible.

Suggested Usage: 1-5 drops 1-3 times per day, or 1-3 capsules a day. May be taken on an empty stomach. To decrease die-off reactions increase dosage gradually per patient tolerance. May be used at a higher dosage in acute cases if well tolerated. Not for use during pregnancy.

Children: Use 1 drop per 10 lbs. of body weight per day divided into 2 - 3 doses.

Proflora®

Unique Supernatant Formula
 Optimizes Growth of Beneficial Flora

New Pump

AVAILABLE IN 30 ML BOTTLES FOR A ONE MONTH SUPPLY. PROFLORA® DOES NOT REQUIRE REFRIGERATION.

Suggested Usage: 5 pumps in a ¼ cup of water once a day. Children over two years, may use 2 pumps in a ¼ cup of water twice a day. Best taken upon rising and bedtime. When using with Biocidin® or Olivirex®, take at least 1 hour apart.

Ingredients: Distilled Water, L. Acidophilus fermentation, Bifidobacterium complex, Aloe Vera, Yucca, Lactobacillus salivarius, Chlorophyll, Peppermint, Ginger, Dandelion, Viola. Proflora® does not require refrigeration.

Probiotics help improve digestion and absorption of nutrients, and promote intestinal balance. Proflora® provides the supernatant or medium which beneficial flora depend upon to thrive, along with synergistic nutritional and botanical support to optimize the growth of beneficial flora, inhibit unbalanced flora and soothe the intestinal mucosa.*

- » **Pleasant tasting liquid, does not require refrigeration.**
- » **Helps inhibit unbalanced flora.**
- » **Healing botanicals soothe intestinal mucosa.**

Biocidin® TS

Immediate Relief of Sore Throat Pain
 Soothes Irritation Due to Allergies

AVAILABLE IN 30 ML SPRAY.

Sore throats are a common complaint during the winter season, and for those exposed to allergens or who speak or sing professionally. Biocidin® Throat Spray brings all the effectiveness of Biocidin® directly to the throat for soothing relief. The nasal/pharynx region is said to be one locus of infection for upper respiratory disorders, and addressing this area directly is an important part of an immune support strategy.*

- » **Laboratory tested for effectiveness.**
- » **Indispensable during cold and flu season.**
- » **Soothes irritation due to allergies.**

"I was speaking at a medical conference when I suddenly lost my voice. I used Biocidin® Throat Spray and when I opened my mouth to speak my voice was back!"
 –Mark Schauss, Ph. D.

"My sore throat is gone, thanks to your throat spray!"
 –Monique Peltz,
 Generation Rescue

Suggested Usage: Spray 1 - 3 times in mouth towards back of throat as needed. Discontinue use should adverse reactions occur.

Ingredients: Alcohol 60% (potato and/or cane source), Vegetable glycerin, Bilberry extract (25% anthocyanosides), Noni (fruit), Milk Thistle (seed), Echinacea (purpurea & angustifolia), Goldenseal (root), Shiitake (plant), White Willow (bark), Garlic (bulb), Grapeseed extract (min 90% polyphenols), Black Walnut (hull and leaf), Raspberry (fruit), Fumitory (herb), Gentian (root), Tea Tree oil (leaf), Galbanum oil (resin), Lavender oil (plant and flower), Oregano oil (plant and flower). Certified Organic or wildcrafted sources used whenever possible.

AVAILABLE IN 60 500 MG CAPSULES.

Olivirex®

Highest Potency Olive Leaf Extract Available
 Synergistic Blend of Additional Botanicals Assist Detoxification

Olivirex® is an innovative formulation combining standardized olive leaf extract with a synergistic blend of botanicals to enhance the broad-spectrum qualities of olive leaf. Both historical references and modern research attest to the value of the phytochemicals of this ancient tree.*

- » **Superior olive leaf combination offers broad spectrum support.**
- » **Highest potency USP grade olive leaf extract available, 18-24% Oleuropein.**
- » **Synergistic blend of additional botanicals assist detoxification, which is helpful in decreasing die-off or Herxheimer reaction.**
- » **Contains added immune modulators and adaptogens.**
- » **May be used in combination with Biocidin® to address challenging clinical presentations.**
- » **Used with Biocidin® Throat Spray for seasonal wellness.**

Suggested Usage: 1-2 capsules 2-3 times per day as needed. For best results take on an empty stomach with 8oz. of water. Additional water throughout the day is recommended.

Ingredients: Olive Leaf extract (organic, minimum 18-24% oleuropein content), 125 mg combination of the following: Garlic (plant), Goldenseal (root), Milk Thistle (seed), St. John's Wort (plant), Uva Ursi (leaf), American Ginseng (root), Bladderwrack (plant), Cordyceps, Dandelion (root), Noni (dried fruit), White Willow (bark).

Other Ingredients: Rice Flour and Vegetarian Capsule. Certified Organic or wild-crafted sources used whenever possible.

"Olivirex® has been a huge part of my healing process. Digestive problems that have been so debilitating are finally resolved."
 –Cathy Carlstrom, Lyme Patient
